

## Lehigh University Preclusion Experience

### Participant Behavior Agreement

- Take this opportunity to enjoy and learn from the experience in which you are participating.
- Be flexible, because some things may be beyond our control.
- By the nature of these trips, we attract a wide range of students; be open minded towards ALL backgrounds, sexual orientations and cultures and always have a positive attitude.
- Respect and observe all rules and regulations advised by the organizations we work with.
- Respect and support each other, including your site leader, the community and your fellow participants.
- Abide by the alcohol and drug policy:
  - Alcohol and drugs are absolutely not permitted. Violations of this policy will be referred to the Office of Student Conduct immediately.
- You must attend all scheduled events and arrive on time for each of them.
- Communicate any problems to your trip leader.
- Abide by the [Lehigh University Student Code of Conduct](#)
- Represent Lehigh University in a positive manner
- Participate in a meaningful way.
- Be safe!
- Have fun!

As a participant in the Preclusion SustainabLEHIGH, I have read and reviewed the above stated guidelines. I understand that this is a Lehigh University program and therefore failure to abide by these guidelines will result in being sent home from the trip at my own expense and my conduct will be referred to the Lehigh University Office of Student Conduct for processing according to the Code of Conduct.
