

Commuter Lot Permit Parking Updates

Thank you for piloting the Founders Way and Goodman Commuter Lots over the past year. We appreciate all of the feedback we have received. An announcement will be coming out in the next few weeks to faculty and staff providing information on parking regulation updates and permit registration for the July 1, 2020 to June 30, 2021 permit cycle.

We are happy to announce to our Commuter Lot permit holders the following changes to Commuter Lot incentives!

Commuter Lot Incentives

Parking Services will provide the following incentives for the 2020-2021 Permit Cycle:

- Four (4) free Daily Visitor Passes per semester.
- Alternate parking location during “Commuter Alerts” within walking distance of Asa Packer Campus.
- 4 meal passes at Asa Packer, Lower Cort, or Rathbone Dining Halls.
- 4 codes for LYFT on demand transportation per semester – each with a \$5 value
- [NEW! Free Evening & Weekend access to all unreserved Faculty/Staff Campus Parking Zones](#)
- [NEW! Free Academic Break access to parking zone based upon campus address](#)

The following incentives will be eliminated due to unpopularity:

- Passport Wallet Credit of \$10 to use at Lehigh University meters and pay-by-space areas.
- Free membership in the University’s Enterprise CarShare program.

Academic Break Improvements

Beginning July 1, 2020, Academic Break access (which includes Evening & Weekend Access) will be provided for \$0 to Commuter Lot permit holders! Commuter Lot permit holders will be assigned to a parking zone based upon campus address during academic breaks. In order to qualify for the \$0 Commuter Lot permit with Evening & Weekend and Academic Break access, permit holders must:

- Hold the commuter permit for the entire annual permit cycle.
- In the case of non-residential RA/GA/TA, adjunct faculty and wage employees who purchase half-year permits, the commuter lot permit must be held for the entire half-year permit period (July 1 to December 31 or January 1 to June 30).

Commuter Lot permit holders may elect to change their permit designation at any time, however, they will be responsible for the retroactive cost of their Academic Break parking zone permit provided within the annual or half-year permit cycle or period, respectively.

If a Commuter Lot permit holder has a campus address of 306 S. New Street, they will be assigned to the Farrington Square Campus Parking Zone during Academic Breaks.

This incentive will be provided to all Faculty and Staff, Adjunct Faculty/Wage Employees, On-Campus Vendors, and Non-Residential RA/GA/TA’s who elect to park in a Commuter Lot.

Priority Asa Packer Parking Permits for past commuters

As a thank you to our current commuters who have piloted this program for us, we wish to offer you the chance to change your permit designation from now until June 30, 2020, by purchasing a permit in your desired Campus Parking Zone. The prorated amount will be reflected through a payroll deduction. Please contact us with your desired Campus Parking Zone location and you will be placed on a waitlist or issued a permit immediately if the Campus Parking Zone permit is available. At this time, the only Campus Parking Zone that has a waitlist is the Alumni Campus Parking Zone. This opportunity will be first-come first-serve so please contact us as soon as you have made a decision.

Please contact us at inpark@lehigh.edu if you have any questions.
