

As we communicated this past spring, the Founders Way commuter Lot will be available effective July 1, 2019. The Founders Way Commuter Lot is located at the Sands/SteelStacks complex, on the northeast corner of E. 3rd Street and Founders Way. The lot is located just across from the Greenway, which provides a scenic walking path to the Asa Packer campus. [Click here to see the parking lot location.](#)

The Founders Way Commuter Lot will be served by the Founders Way Express, which will service the Commuter Lot and the Whitaker bus stop (Webster Street & Packer Avenue) every 10 minutes from 6:30 AM to 8:00 PM Monday through Friday ([bus route and stops](#)).
